Re: D.T.E. 03-50

Dear Secretary Cottrell:

In accordance with the Department's January 14, 2000 Order in D.T.E. 99-271, enclosed are copies of the revised New York State Carrier to Carrier ("C2C") Guidelines, including redlined documents to mark the revisions. These Guidelines were filed with the New York PSC on May 2, 2005. Verizon Massachusetts had previously filed a copy of the New York PSC's April 15, 2005 Order with the Department on May 6, 2005.

The Compliance Filing consists of the following documents: (1) a red-lined version of the East Carrier-to-Carrier Guidelines and Appendices to reflect changes made pursuant to the April Order (Attachment 1), and (2) a clean copy of the entire, updated Carrier-to-Carrier Guidelines and Appendices (Attachment 2).

Please note that we have made a few minor administrative changes to the Guidelines:

1. The performance standard for MR-2-04 has been updated with the phrase "as a Percent of Total Reports" to be consistent with the ordered change to the MR-2-04 metric title.
2. The Table of Contents has been updated to reflect that Appendix P now includes a "76-day Collocation Interval Timeline" pursuant to the April Order.

In addition, please be advised that the filing also includes New Jersey Appendix Q and New Jersey Exhibit 1, which was inadvertently omitted from the prior C2C Guidelines filing of January 18, 2005.
